**Begin Cutting Fabric & Labeling:** These little cut out labels are your cutting directions!! Using clips/pins as you go! This is **ESSENTIAL** to maintaining order and sanity!! There are a **lot** of pieces with just slightly different dimensions. The outer bag pockets have contrasting linings, the inner pockets are all one piece of fabric.

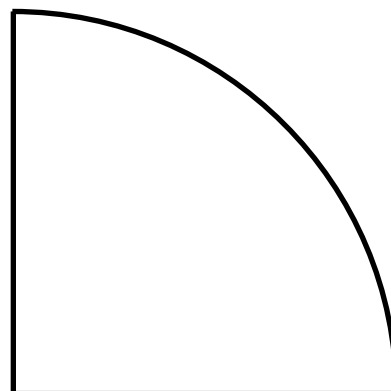

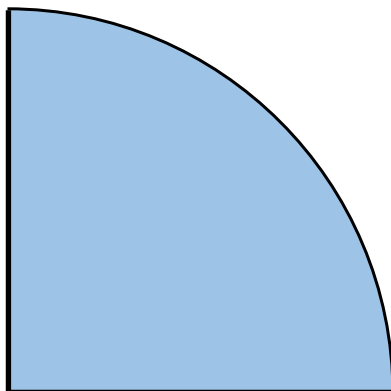

I love to have several bags going at the same time, so..... You may re-print these sheets as 8½" x 11" copies for your own use.

Don't forget to save with your pattern

The circled numbers on the fabric labels correspond to the step number in the pattern, page 5!

Cut out one of the templates and use to cut curve for both of the inner and outer bag **ENDS**.
