

**Begin cutting fabric & labeling:** Using clips/pins as you go! This is ESSENTIAL to maintaining order and sanity!! There are some similar sized pieces!

The colored shapes below are your cutting instructions! Cut apart and then label as you cut. I like to have several Village Crossbody Bags going in various stages at any given time so: You may re-print this sheet by going to the [QUILTSILLUSTRATED.COM](http://QUILTSILLUSTRATED.COM) website. Always check pattern corrections page.
