

Anniversary WindTunnel® Bagged Upright U5491900

No more guessing! The Embedded DirtFinder™ sensor on the **Anniversary WindTunnel® Bagged Upright** stays red as long as you're removing dirt from carpet and floors, while Hoover® WindTunnel® technology powers out embedded dirt* and minimizes blowback or scatter on carpet, so you can trust that your floors are truly clean.

Features:

- **Intuitive Power Controls** - conveniently positioned where they should be - right at your fingertips
- **WindTunnel® Technology** - removes embedded dirt* and minimizes blowback or scatter on carpet
- **Bag made with HEPA media** - Media filters and traps 99.97% of dust and pollens down to 0.3 microns
- **Fabulous Filtration** - air passes through filters after leaving the bag and before it leaves the vacuum, so you can breathe easy
- **Bag Check Indicator** - tells you when to replace the bag for optimal performance
- **Embedded DirtFinder™** - sensor turns green when no more dirt is being removed from your carpet or floors
- **Headlight** - illuminates dark corners and areas under furniture for thorough cleaning
- **5 Position Carpet Height Adjustment** - adjust as needed to clean all flooring types easily and efficiently
- **29' Power Cord** - vacuum a large room without re-plugging
- **No Scuff Bumper** - protects furniture when you can't be as careful as you-d like
- **Edge Cleaning Bristles** - loosen dirt up against baseboards.
- **Limited 3-year warranty**

On-Board Tools:

- **2 Extension Wands** - lock together to extend reach of the hose
- **Crevice Tool** - helps clean nooks and crannies
- **Upholstery Tool** - helps get furniture clean
- **Dusting Brush** - for molding, shelving, lampshades and more
