

**Class Name:** Foundation-Pieced Animals

**Instructor:** Joyce Cambron

**Supplies Needed:** purchase book: A Quilter's Ark  
I recommend having your copy of this book Spiral bound at a local print shop

**FABRIC REQUIREMENTS:**

There are no specific fabric requirements. You need to choose the animals you want to piece from the patterns in the book, A Quilter's Ark. Choose a background fabric and determine what fabrics are necessary to produce your animals. Three inch to six inch strips should be plenty for any given fabric need.

**SUPPLIES:**

**After purchasing the book, A Quilter's Ark, please select two animal designs you'd like to work on in class. E-mail me (Joyce) at [cambronquilter@yahoo.com](mailto:cambronquilter@yahoo.com), tell me if you want your blocks to finish at 6", 7", or 8", and I will make enlargements of your blocks and have them printed on freezer paper. I would appreciate hearing from you at least one week before your class is scheduled. .**

Sewing machine and all basic sewing supplies  
Scissors, both for fabric and paper  
Rotary cutter and ruler  
Add-a-Quarter ruler, 6" or 12" long  
Seam-ripper or other semi-sharp object for creasing paper

**Optional but helpful supplies:**

While irons and boards are supplied in the classroom, it can be helpful to bring your own tabletop models.

**Cancellation Policy:** We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
