

# Indigo dying class

---

## Supplies

All you need to bring for this class is, an apron, rubber gloves, and you may want to wear old shoes. We will be outside for part of the class, so a hat, sunscreen, water may come in handy too.

There is a \$40 kit that includes several different fabrics for the dye process. We will provide all the dye and any tools and objects that you can use to cover four basic types of Shibori dying offered in the book *Stitched Shibori* by Jane Callender, which is an optional resource for this class. We do hope to teach an advanced class out of this book in the future.
