Note: I do not recommend you cook with these bowl holders, but instead use them to hold hot bowls and dishes once they come out of the microwave.
- Machine in good running condition (can also rent a machine at Quilt Crossing)
- General sewing supplies (thread, scissors, seam ripper, etc.)

Optional but helpful supplies:

- Can use 505 to help temporarily hold fabrics together
- Walking foot can be used when quilting layers, but optional.

Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
