**Please have all fabric cut and ready at class time. I find that using large zip lock bags and marking each bag with the Color of fabric and sizes cut, makes class time easier and more efficient. For example: Tan or Background fabric, Mark the bag, "BG" Rectangle 9 1/2 x 27", the next bag, "BG" 9 1/2 x 9 1/2, etc. Follow the cutting directions in the book and mark each bag.

***I will contact each class participant a week prior to class to introduce myself and to go over the requirements, also to answer any questions you may have. I really look forward to meeting you!

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local.

We highly suggest that students bring a travel iron and a wool pressing mat (at least 17" x 17") so they do not have to wait in line for the irons. We recommend the Mighty Steam Iron by Dritz, Steamfast Travel Steam Iron, or the Oliso Mini Project Iron, and we have all of these in stock at The Quilt Crossing. We also suggest that students bring their own cutting mats and rotary cutter because we only supply a limited number.

Please Review our Class Registration & Cancellation Policy on our web site www.quiltcrossing.com. Also included on the back of this supply list.
