

**Class Name:** Mixed Mutts/Cats Meow Machine Embroidery Applique

**Instructor:** Karen Hodge

**Supplies Needed:**

- Embroidery machine, module, and a hoop for a 5"x7" design
- Lunch Box Quilts Pattern for "Mixed Mutts" and/or "Cats Meow" (Lunch Box Quilts Patterns are multi-format.) You will need to provide a USB drive that fits your embroidery machine if you purchase a pattern that is in CD-ROM technology. Karen can help copy the patterns from the CD to your USB drive before the class if you desire.
- Fabric per pattern instructions (Definitely need to buy the amount of block background, sashing, and border fabrics suggested in the pattern instructions. Each dog or cat is made from a minimum of a fat eighth.)
- Embroidery threads for your mutts and cats (I recommend Isacord thread.)
- OESD Ultra Clean & Tear stabilizer or Stabilstick (your preference)
- 505 Spray if you use Ultra Clean & Tear
- Rotary cutter and mat
- Fabric glue stick
- Double curve embroidery scissors for trimming applique fabric in the hoop
- Seam ripper (just in case!)

(Karen can help you pick out fabric and thread if you want. She works at The Quilt Crossing every Friday and Saturday. If you need help with transferring the patterns from CD to USB, let her know and she will meet you before class.)

**Optional but helpful supplies:**

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local

**Cancellation Policy:** We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
