ChainstitchFoot	Chainstitch, pg. 19 Decorative Chainstitch, pg. 20
Coverstitch Hem Guide	Coverstitch Hem, pg. 18

There are accessory feet for the L-series overlockers and for the older current overlockers (700D, 800DL, 1150MDA & 1300MDC) and these feet are not interchangeable. Knowing which model of overlocker the student has will help you have the right number of serger accessories on hand for them to try and buy at class.
