Supplies needed:

Friday Fiesta Place Mat Pattern by GE Designs

Please bring your BEST sewing machine in good working order, and fill several bobbins with a good quality thread that coordinates with your fabric.

An accurate 1/4" foot or marked 1/4" seam allowance is important in this class.

Please bring your general sewing supplies, pins, binding clips, scissors, rotary cutter rulers and mat. I will be demonstrating the Stripology rulers by GE Designs in all the sizes. They are accurate and they save on cutting time.

If you have any questions about the supplies or machine needed for a successful class, don't hesitate to contact me by email, drhale@q.com.

Optional but helpful supplies

Stripolgy ruler by GE Designs is recommended, a quarter inch foot for piecing and a walking foot for your machine.

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local

Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
