Supplies needed:

Stripology Mixology book by GE Designs

Please bring your BEST sewing machine in good working order, and fill several bobbins with a good quality thread that coordinates with your fabric.

An accurate ¼" foot or marked ¼" seam allowance is important in this class. We will be focusing on accurate cutting and sewing straight seams. I will give you tips on achieving a perfectly squared up block by accurate piecing and pressing.

Please bring your general sewing supplies, pins binding clips, scissors, rotary cutter and mat, a Creative Grid 6 or 6 ½" by 24" ruler, a square block larger than the 10 by 16 block, if not using a large Stripology ruler. Instructions will be given for traditional rulers as well

If you have any questions about the supplies or machine needed for a successful class, don't hesitate to contact me by email, [drhale@q.com](mailto:drhale@q.com).

### Optional but helpful supplies

**Stripology ruler by GE Designs is recommended, a quarter inch foot to fit your sewing machine. Small iron and pressing surface unless you want to share.**

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local

**Cancellation Policy:** We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
