

Instructor: Jane Sparrell

Supplies Needed:

Lap Size Quilt (90" x 98")

Table Runner (30" x 65")

Fabric Requirements - We will be making a log cabin block called *Sunshine and Shadows*. The block has a center square surrounded by strips that are divided by color so that one diagonal half of the block is light, the other dark. The above diagrams depict one of an infinite number of variations that can be used for the design of the quilt or table runner.

The fabric requirements below are for a *Sunshine and Shadows* quilt where each quilt block is comprised of the same 13 different light and dark fabric strips. However, this block can also be made from light and dark fabric remnants/scrap, in which case the student can determine their required yardage.
