Class Name: Dancing Diamonds Gem Bag

Instructor: Donna Hale

Supplies Needed:
All of the fabrics and supplies are listed on the outside of your pattern. I made some changes and substituted some items when making my class sample, they are listed below, and generally available at our store

I used a 36"x58" of Bosal In-R-Form Plus instead the single sided Flex Foam by Pellon
I used titanium 80/12 or 90/14 needles (they last longer and sew through the thicker stabilizer)
I used a neutral mettler brand thread for assembly and a variegated thread for the quilting

Please bring your BEST sewing machine in good working order. Please fill several bobbins with a good quality thread that coordinates with your fabric.

 A walking foot or open an toe foot are ideal, you will be sewing on a printed interfacing, but you will need to be able to sew ¼" and ½ " for the bag assembly in the second class.

General sewing/quilting supplies, pins, binding clips, scissors, rotary cutter & mat, a Creative Grid 6 or 6 ½" by 24 inch ruler, or any ruler with the 60 degree line mark

I will be happy to help you pick out fabrics and supplies for this class, I work at the store on Wednesday's, or you can email me with any questions at drhale@q.com

Optional but helpful supplies:
Walking foot, or quarter inch foot to fit your sewing machine.

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local
Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
