

Class Name: T-Shirt Quilt - Adult

Instructor: Donna Hale

Supplies Needed:

This supply list is to complete a 55x 82 inch quilt like the class sample.

PLEASE PREWASH AND MACHINE DRY ALL T -SHIRTS AND BORDER FABRICS TO ADDRESS ANY SHRINKAGE OR FABRIC BLEEDING ISSUES BEFORE USING THEM IN YOUR QUILT.

Fabrics-At least 15 adult t-shirts with 13" square of usable shirt area

Sashing fabric around t-shirts 1 Yard (I used black)

Narrow border ½ yard (I used orange)

Wide outside border 1 yard (I used blue)

Binding 3/8 yard

Backing 5 yards of 45" wide fabric, or 2 ½ yards of 60" fabric

Approximately 6 yards of Shape Flex SF101 to stabilize t-shirts. Results are best if this product is soaked in a cold water and line dried before use, as it shrinks slightly.

An applique sheet or parchment paper is a must when working with fusibles. A 12 ½ inch square would be very helpful in this class.

The first session, you will not need your sewing machine. We will be getting your shirts ready for fusing and cutting. I will pass out a rough sketch of my sample with measurements, but you are welcome to take a photo of the quilt for reference.

You will need your sewing machines in the next two sessions, along with your general sewing supplies, such as pins, rotary cutter, rulers, scissors, paper and pencil for notes. Large cutting mats, ironing surfaces and irons are available in our classroom, but you may bring your own iron, if desired.

Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
