

Class Name T Shirt Quilt

Instructor: Donna Hale

Supplies needed:

At least 15 adult sized t shirts, with a 12 1/2" square shirt area. Please be sure the shirts have been machine washed and dried. This removes any sizing and pre shrinks the shirt before you sew them in your quilt.

Pre wash all of the other fabrics you will be using to be sure any shrinking or running of colors has been resolved. Washing with Color Catcher sheets by Shout works great for this step.

ALL YARDAGE IS BASED ON WHAT I USED IN THE CLASS SAMPLE located in the classroom, or you can see a photo on our website under the current newsletter.

Approximately 6 Yards of Shape Flex (sf 101) to stabilize shirts, pre washed and hung to dry BEFORE THE FIRST CLASS! Do not put in the dryer, this product is fusible on one side. Washing prevents the stabilizer from drawing up when washed after the quilt is assembled.

1 yard of sashing fabric around t shirts (I used black)

1/2 yard for narrow border (I used orange)

1 yard for wide outside border (I used blue)

3/8yd for binding

Backing 5yards of 45" wide, or 2 1/2 yards of 60" fabric (I used minkee)

Other supplies:

Sewing machine in good working order with 1/4 foot or seam allowance marked, no machines needed for the first class, neutral color of cotton sewing thread, pins, rulers 6 1/2" by 24" to cut sashing and borders, and 12 1/2 " or larger square to cut t shirts. Sharp scissors large and medium size to cut shirts apart.

Large cutting mats, ironing surfaces and irons are provided, but you are welcome to bring your own iron. An non stick appliqué sheet or parchment paper is a must when working with fusible products. You will want to bring a camera device and pencil and paper to take notes. I will be passing out a worksheet of my quilt, there is no pattern to purchase.
