If picking your own fabric, fabrics 2 and 9 must complement and a good contrast.

To avoid seams in your large outside boarder, I recommend length cutting. Fabric 10 will need to be increased to 2 yards to accomplish this technique .

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local.

Please feel free to contact me if you need any assistance. I am in the store Tuesday, Wednesday and every other Sunday.

**Cancellation Policy:** We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
