

Class Name: Tuffet

Instructor: Donna Hale

Supplies Needed:

Tuffet kit assembled by Donna

Pattern – Pieced 18” Tuffet by Tuffet Source

Fabrics

1 ¼ yd white muslin (works best) pressed and ready to iron on your pattern. Please wait until class to iron on the pattern to the muslin.

The pattern calls for 64, 2” x 21” strips for each of the pieces of fabric. You can use a jelly roll cut in half, so all of your fabrics coordinate. I used 8 different fabrics, and bought 1/3 yd of each, so that I had eight repeats of the same fabric. I will be glad to answer any questions on fabric selection.

Please note that we are using 100% cotton, good quality fabric to make this tuffet, even though it is a piece of furniture for your home. DO NOT bring heavy upholstery fabrics. They are too thick and will not work. Please call me before cutting ANYTHING.

Notions/supplies

A 12” Add-a-quarter ruler (with cardboard insert) is a must.

Rotary cutter with a new blade.

Combined cutting mat/ironing surface if you have one, and an iron if you want them by your sewing machine.

Pins, scratch paper, and writing pens would be helpful

Sewing machine

Please be sure your machine is in good working order and is heavy duty enough to sew through several layers of fabric. If you have question about your machine capabilities, please contact me at home, 939-5664 or at 376-0087 on Wednesdays.

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local.

Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
