

Class Name: Wonky Houses Foundation Piecing

Instructor: Joyce Cambron

Supplies Needed: purchase pattern: Wonky Houses

FABRIC REQUIREMENTS:

Follow fabric requirements as shown on Pattern if you're planning to complete the whole quilt. The variation I created for my classroom model is much smaller. Packets of Fat 1/8's might be helpful if you're looking for small pieces of lots of fabrics in a color family. Basically any combination of fabrics is fun, including spring colors, Halloween fabrics; or, of course, Christmas colors.

For class, please bring your pattern, and enough scraps or small pieces of fabric to complete a couple of the trees in the design, plus one of the houses.

SUPPLIES:

I will be teaching two different foundation piecing techniques. **For the Freezer Paper version, I will have ready some of the tree motifs printed on freezer paper.** You may wish to purchase freezer paper on a roll if you decide you prefer that technique.

- Sewing machine and all basic sewing supplies
- Scissors, both for fabric and paper
- Rotary cutter and ruler
- Add-a-Quarter ruler, 6" or 12" long
- Seam-ripper or other semi-sharp object for creasing paper

Optional but helpful supplies:

While irons and boards are supplied in the classroom, it can be helpful to bring your own tabletop models.

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local

Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
