**Optional but helpful supplies:**

\*Silhouette—I'll demo how to use this tool in class. This is not required, but I will demo how I use this tool to save time.

\*Designer Plus V8.1 Software—this is not necessary but I'll demo how I use my software during design.

We appreciate it when you buy your class supplies from us - these purchases enable us to offer a robust class schedule and keep your dollars local.

**Cancellation Policy:** We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.
