

SEWING STATION

STYLISH AND SPACE-SAVING

Comfort, convenience and plenty of work surface.

NOTIONS, LAMP AND MACHINE SHOWN ARE NOT INCLUDED.

The Koala Sewing Station gives you the perfect home for your machine and supplies. Offering a generous work surface and lift-up storage compartments with soft-close hinges. Perfect for your everyday essential sewing needs.

29-1/4" STANDARD HEIGHT. 53" WIDTH. 29-3/4" DEPTH. SHOWN WITH OPTIONAL NOTION BOXES AND SEWCOMFORT CHAIR.

The Sewing Station offers an abundance of storage and a generous sewing surface with rounded corners and beveled edges which prevent fabric snags. The Sewing Station accommodates most machines. Please check with your retailer or sewingandcraftclub.com to determine if your machine will fit.

The Koala Sewing Station Studio provides:

- 1 Spacious work surface accommodates most projects.
- 2 Built at a standard height of 29-1/4"
- 3 Two convenient lift-up storage compartments with soft-close hinges, magnetized notion storage compartments and an adjustable storage shelf below the work station.
- 4 Stationary machine platform, no electric lift.
- 5 Cord and Lamp Ports (shown with the optional Slimline Lamp, sold separately).
- 6 Rounded corners and beveled edges prevent fabric snags.
- 7 Designed to be used with or without casters (not shown.) Casters add 2-1/2" to the height.

Choose Your Finish

The Sewing Station is available in eight elegant finishes. Choose your favorite.

Optional Accessories for the Sewing Station

Organize Your Space

Store your thread and notions in these convenient boxes. This set includes 3 thread boxes and 2 notions bins.

Matching Koala SewComfort Chair

Choose your fabric color and base finish to complement your Sewing Station. Six-way adjustments provide hours of comfort.

Slimline Table Lamp

The optional Daylight Slimline Table lamp attaches to your Sewing Station. Ideal for all types of sewing and quilting. Provides wide, even light coverage, reduces eye strain and allows true color matching.
