

## Saturday Sampler – Vintage Christmas Creekside Fabrics and Nancy's Rules

To receive a FREE kit for your block each month, the following rules apply:

- You must be present either on Zoom or sign in at the store before the cow bell rings at the starting time of the meeting (10:00) otherwise you will be considered late and your next block will no longer be free. Participants will receive an e-mail from Margie Price or Creekside Fabrics Quilts & Yarns containing a Zoom link to the meetings perhaps as early as each Thursday prior to each meeting.
- YOU must show on Zoom or bring to the meeting your completed block from the previous month. No one can show/bring your block for you.
- You must continue with the size originally chosen for the entire six (6) months. In other words, you cannot get a 6" block one month and a 12" block the next month, etc.
- If you are unable to attend a meeting (including the first meeting), you can purchase a kit the next time you are in the store or a friend can purchase a kit for you at a cost of only \$5.00 plus tax for the 6" block and \$10 plus tax for the 12" block. Show or bring the completed block to the next meeting and start getting the kits FREE again.
- You must stay on Zoom or in the store for the entire meeting.
- Only one FREE block per person. However, if you have signed up for both the 6" block and the 12" block, you are entitled to one free block of each size. Kits for the next block will be available for pick up at the store on the day of the Saturday Sampler meeting.

Six blocks will be made from Lori Holt's Vintage Christmas book. You will learn tips to use while completing your blocks and gather ideas from fellow participants. A sample block will be made each month from one of the kits that have been cut to ensure your block can be made from the fabric in the kit. If you cut something wrong you have two choices: (1) purchase yardage from the store or (2) use a piece from your stash. The minimum yardage we cut is 1/8 yard.

Reservations for in-store meetings will be accepted for **a maximum of eight (8) members at each meeting**. Please call the store to reserve your chair (585-492-4226). We will adhere to the current guidelines related to COVID-19.

**Meeting Dates:** May 1, June 12, July 10, August 14, September 11, October 2 or 9 and November 13. Please bring your Vintage Christmas book to each meeting to use as reference when reviewing the pattern).

### Registration Fee:

**6" blocks - \$59.95 (includes book)**

**12" blocks - \$89.95 (includes book)**

**Both 6" and 12" blocks - \$119.95 (includes book)**

**When registering, please let us know if you already have the Vintage Christmas book.** If you have the book, you will receive a store gift certificate equal to Creekside's retail value of the book.

**In fairness, these rules will apply to everyone at all times. THERE ARE NO EXCEPTIONS. Please do not ask a store employee or me to make an exception for any reason as it puts everyone in an uncomfortable situation to re-explain the rules. After all, the kits are only \$5.00 plus tax for the 6" block and \$10 plus tax for the 12" blocks.**
