Cut pattern out and place B atop of A and tape.

Cut a lining and outer piece of fabric for bag.

Cut one decor bond and fuse to lining.

1-Place right sides together and stitch about a 1/4 inch seam all the way around leaving an opening on one of the long sides for turning.

2-Clip and turn, press nicely and set your bangles at each end as desired. Fold down through the bangle and top stitch to hold.

3-Place wrong sides together and add a 1" gusset at bottom pin and stitch up sides.

Be sure to back tack.
