

Long/Slim Storage Bag

Cut:

Main Fabric - 5" x 19"

In R Foam - 5" x 19"

Inside Fabric - 5" x 19"

Layer:

Main Fabric - right side up

Inside Fabric - right side down

Foam

Round all 4 corners.

Sew using generous $\frac{1}{4}$ " seam. Leave 4"-6" opening on one side.

Clip corners

Turn Right side out.

Press well, including the opening.

Stitch a few long quilting lines, or stitch as you like.

To add snaps:

Main fabric right side up

Measure the ends of your bag. Mark center.

One end, position the female end down and button side of snap up - $1\frac{1}{4}$ " from edge

Other end, Position the male end up and button side of nap down - $\frac{3}{4}$ " from edge.

Fold the male snap end at $6\frac{1}{2}$ " (Main fabric out).

Top stitch all around, which will close your end.

Ideas for filling - Tooth brush and tooth paste, Coloring pencils, Make-up brushes, etc. What will you put in your bag.
