Can you believe October is already here? Fall seems to have come upon us quickly. Secondary water is now off, and we have appreciated being able to have sufficient water in the system this year. Although the reservoir seems exceptionally low, it was necessary to get it to a low level for the project on the dam to be completed. We will pray for a good winter to fill it to overflowing next spring.

Peach Days was a great success! We appreciate your attendance and involvement so much. We had a great time while social distancing and we certainly learned some things through it all. It was good to finally feel like things were a bit normal again, and especially fun to see so many smiling faces. It was fun having some new events even though we missed many of the events that have been constant through the years. I appreciate the hard work of the Council Members and staff in working through the many special accommodations this year. We will be sending a survey out in the next month or so regarding your experience with Peach Days and hope that you will return the survey to us so that we can begin planning for 2021. Next year will mark 120 years since Peach Days began. I am so proud of this tradition and hope that it carries on for many more years to come.

Council Member Winn has been busy working on plans for a Fall/Halloween event. Watch for more information. We will still practice safe distancing and procedures and hope that you will feel safe to attend.

You may have seen the notices for the city surplus sale. If you are interested in purchasing any of the items, please submit your private bid to the City Hall before the deadline listed.

You may have seen our notice calling for people to take the EMT class to become an EMT in Ferron. We have had some difficulty in having the needed coverage for daytime emergency service. We encourage anyone who feels that they have the time and would be willing to take the classes to become certified to contact the city office as soon as possible. We are always in need of volunteers to help our community whether it be serving on committees, volunteer firefighters or other emergency personnel. The spirit of volunteerism seems to be dying yet it is so vital to our small community. I hope that we are all teaching our children the important value of being a volunteer in their community. We simply cannot accomplish the many things that need to be done without you. As always, I am so proud to live in Ferron and call this place my home. It truly is a great place to be.

October Calendar of Events

- Oct. 6** Planning Commission Meeting 7 PM
- Oct. 12** City Hall closed Columbus Day
- Oct. 14** City Council Meeting 7 PM
- Oct. 31** Halloween

Ferron, Clawson, and Emery are all in need of more EMTs to help serve our communities.

There is especially a shortage for daytime coverage.

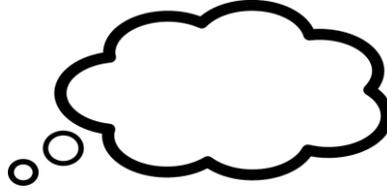

Ferron City will help pay for some of the cost to certify Ferron EMTs. If interested, please contact City Hall.

DUE TO EXTREME DROUGHT CONDITIONS AND HIGH FIRE DANGER, THE STATE FORESTER HAS POSTPONED THE FALL 2020 OPEN BURN SEASON.

PEACH DAY EXHIBITS

Thinking about displaying your exhibits for Peach Days next year. Start thinking about your exhibit now.
