December Calendar of Events

Dec 2 Planning Commission meeting - 7 pm

Dec 9 Council Meeting 7pm

Dec 24-25. City Hall Closed-Christmas

Dec 31 City Hall Closed at 12 New Year's Eve

January 1 City Hall Closed-New Years Day

December! Can you believe that 2026 is almost here and that is so crazy to me it seems that this past year has flown by. We didn't have to have an election this past November, hopefully that means that you all are satisfied with what is happening with the direction the city is going. If not and you just didn't want to sign up to be part of the council or mayor, we still invite you out to council meetings and planning and zoning meetings. There are vacancies on planning and zoning that need to be filled. This is a vital part of city government that often gets overlooked.

Just a reminder that with winter coming, please remove all vehicles and trailers from the side of the road. Ordinance states that vehicles can be towed but we would rather not have to do that so please make sure all vehicles and trailers are off city streets.

Along with that, I know there are a lot of weeds around town along the roadsides etc. We often get complaints that the city isn't doing enough with these, and we also get a lot of complaints when we spray that we are killing people's bushes and trees etc. that are near where it is sprayed. Just a note that next spring\summer, there will be a big push to keep the city as weed free as we can. Please do your part by cleaning up your frontage, this ensures that if we do spray, we won't be spraying along anyone's yard and possibly killing plants and trees. We will also hopefully have a new mower\brush hog attachment for the skid steer to run along the streets.

We would like to welcome our new maintenance employee Connor Kinross to the Ferron City ranks. He will be working with Kasey Morris around town, if you see him, tell him hello!

You might have noticed that the old stock show barn has been torn down, and preparation of the area has begun and will continue for the new agricultural event center. Soon what is known as the sheep barn will also be removed in order to accommodate the new building. This is exciting to see progress and looking towards the future. I would like to thank Barbara and Laramie for all their hard work on getting it to this point.

Lots of work to continue doing around the city and regarding planning and zoning. Again, if you would like to help shape what ordinances Ferron City has, please get involved with by volunteering or just coming out to meetings to hear firsthand what the council is doing.

I hope that everyone has a great last month of 2025! Merry Christmas and a happy new year!

LETTERS TO SANTA

We have a mail box at City Hall that has a direct link to the North Pole for all the letters that you or your children would like to write to Santa. He has promised a return letter to all who send their list to him. We hope this will be helpful in getting your wish list to the jolly old elf! Please include your return address on the letter!

WATCH FOR SNOW PLOWS

Please watch for the snowplows and backhoes clearing the snow off the roads. They are working hard to get things cleaned off to make the roads safe for us all, but they have a hard time seeing the traffic behind and on the sides of them. Please be respectful of them.

GETTING READY FOR SNOW

We have several citizens that have their vehicles, camp trailers, boats, etc. parked on City streets in front of their homes. Please remove them now so that snow removal will be able to be done as quickly and efficiently as possible. If we have any problems with this, citations may be issued.

Dog Licenses Due

Dog Licenses are due in January. They will be delinquent after February 1st, 2026. A penalty of 15% shall be added to delinquent payments.

Dog clinic will be held January 31st 9-12 @ the Fire Station with Rusty Truman.

DID YOU KNOW.....

The big roll off dumpsters are dumped every Tuesday and Friday.

Please don't overfill the dumpsters or set things outside of them.

You can also get a second garbage can for your home for \$7.30/month (Just call the city hall)

**Merry Christmas
&
Happy New Year**
