

NEWSLETTER 2026

Council Member Laramie Morgan

Dear Citizens,

It has been a great year here in Ferron. Our community has supported local events which continue to make our small town a wonderful place. We are proud of all the hard work that has been done to bring us all these events like Peach Days and other community gatherings. I want to give a thanks to the city workers, the youth city council, and all the great residents of Ferron. You all helped make this an amazing year.

Winter is here but everyone is asking the same question. Where is all the snow? We are hoping that a good snowfall is close so we can have the water we need in our reservoir.

The stock show barn has been awarded to a contractor, and we will begin construction shortly after the first of the year. I want to thank everyone's patience about the delay of construction. This new barn will bring great and new improvements to this county. Hoping to have occupancy before the annual Castle Country Classic Livestock Show that takes place in June.

I have resigned as city council member because of a job relocation. I hope my replacement will help this community greatly. Despite my resignation, I'm excited to see what the new year will bring to Ferron and all of you amazing people. Thank you for supporting me in my journey as a council member.
