I hope you all had a wonderful Holiday. I was so happy to hear of and witness so many kind acts taking place in our city and it reaffirmed to me what a great place Ferron is. I sincerely appreciate those who go out of their way to do good things for the city. As the Grinch and I were walking along we watched a kind gentleman in the city out plowing sidewalks on his four-wheeler. What a great service this was to all of us. Many residents have assisted in their neighborhoods by shoveling out driveways and walkways for their neighbors. It is heartwarming to see such kind acts. Speaking of the Grinch, I am happy to report that his heart grew more than ten sizes in Ferron. It was fun to see the reactions of children and adults alike as they waved at him or took a moment to brighten his day. Although my Christmas was much quieter this year than it normally is, it was probably one of my favorites. I enjoyed seeing residents participating in our scavenger hunt and Facebook contests. I appreciated the beauty of the Mayors Park and driving around to see the many houses decorated with lights. I believe it helped make this Christmas season incredibly special. I hope that many of these wonderful traditions will carry on for years to come.

May each of you have a very happy and prosperous New Year. I look forward to new traditions, new projects, and new ideas. I pray that 2021 has good things in store for us and that we all continue to be blessed with peace, happiness and increased love and kindness towards one another.

Happy New Year everyone!
