Council Member Gerry Stotler

Happy Valentine's month to everyone.

I would like to say "Welcome" to Mike Behling, our new City Council member and I am looking forward to working with you. Also, I'm grateful to be serving our great town of Ferron another 4 years Lord willing.

Regarding our water for the year, things are not looking good. Currently Buck Flat has slipped to 52% snowpack and Millsite Reservoir is at about 40%. Obviously, this will be a tight year if The Lord doesn't bless us with quite a bit more precipitation. The state is still negotiating a possible release downstream to bolster the downstream states. Let's pray for both of those issues to be resolved positively.

Good news is that things are progressing well with the new agricultural center and I'm sure Mike will do an excellent job of taking over from Laramie although Laramie is missed and his family will be missed to come June.
