February Calendar of Events

Feb. 2 Planning Commission meeting - 7 pm

Feb. 10 City Council meeting – 7 pm

Feb. 15 City Hall closed

Feb. 23 Meet & Greet New Fire Department 7 PM @ Fire Station

Welcome February! Welcome snow! I am so happy to see snow both in the valley and mountains. It is a much-needed blessing and will help sustain our crops and lawns this summer. Please be mindful of snowplows as they do their job in clearing snow. As we inch closer to Spring, we are excited about several projects that we are working on. We hope to begin construction on the new bathroom at the fairground park and the new natural play area. There is much work to be done and we appreciate the volunteer help that we have received. We are also working on trail plans that will allow a safer place for residents to walk, bike and run. The plan should be completed soon and will be open for public input. We encourage residents to give us their ideas and suggestions as we continue the planning phase. Good things that will be improving our way of life are beginning to come together in our little community!

Many of you may have noticed that there has recently been a vacancy in the City Council with the resignation of Council Member Hunsaker. We sincerely appreciate the hard work and effort she has put into her position and we will miss her and wish her well in all her endeavors. She has served the citizens well with her ambition and great ideas. It is anticipated that a new council member will be appointed during the February meeting. Interested parties are encouraged to submit a letter of interest to the City Council no later than February 9, 2021.

We are also taking applications for Youth City Council. High school age youth are welcome to apply and participate. Youth Council is an important part of the city and will work on community projects and events. Participation on the Youth Council is a great addition to scholarship applications and it also teaches youth about the role of government and how to become involved in their community. Please spread the word and invite your youth to participate. This is a great way for youth to learn to become future community leaders!

May your February be filled with happiness and Love,

Happy Valentine's Day!!
