## Newsletter 2025

### Council Member Kellee Singleton

August is that last flicker of fun and heat before everything fades and dies. The final moments of fun before the freeze. In the winter, everything changes." -Rasmenia Massoud

Summer is unfortunately coming to an end, and school will be starting soon. I hope you all were able to get out and do something fun and memorable! Please stay alert and watch for the kids walking to and from school. Remember the school zone will be open again so watch your speed!

Our fire department put on a fun "Splash Bash" where the kids got to enjoy a water kickball game and get sprayed by the fire hoses! Thank you to all who came! It was a great time! Next year we plan on making it bigger and better! The departments auxiliary team is wanting to have more community involvement, so their plan is to do a fun activity every few months. Be sure to get out and take advantage of being involved and getting to know our fire department!

If you are interested in being a part of the fire department, please reach out! We are always looking for more volunteers!

Animal control has been busy with dogs this past month. Please keep your dogs on a leash or contained in your yard at all times. I understand that they sometimes escape and that life happens but there will still be consequences if Ferron City gets involved and catches your animal. Please do your part and be a responsible pet owner by making sure your dogs are licensed with the city and are wearing their tags.

CATS- I know our city has a problem with a lot of feral stray cats. Again, please be a responsible pet owner and get your animal spayed or neutered.

Peach days is fast approaching! Get the dates on the calendar September 1st- 6th. Be on the lookout for all the fun to be had! Invite your family and friends! Get involved and let's make this peach days one to remember!! The more community involvement we have the better it will be!

We are all doing our best to make Ferron the best that it can be.

Just a friendly reminder for the beginning of school starting on Aug 13<sup>th</sup>. Did you know that when a crossing guard is helping children across the road, ***it is unlawful for a vehicle to enter the intersection from any direction until the guard s back on the curb?*** Please remember this law to keep our children that walk to and from school safe.

Also, please watch for the children throughout the city. They are not always watching for you.

#### Speed Limit Reminder

The speed limit on Molen Road and Canyon Road is 25MPH

PLEASE JOIN US FOR THE
