March Ferron City Newsletter

022724

As I write this, on one of the last days of February, there's a blizzard taking place outside! One of the few this winter. Ferron has been blessed with a mild winter here in town, but the good news is that the snow water on our watershed is just shy of 100% of average, a good place to be at this time of year. But there are signs of spring! The City Maintenance Crew, Rick and Jake, plan to take the snowplows out of service for the season soon.

Millsite Golf Course will be open for play in a couple of days. Play will be allowed after 9:00 AM, provided the temperature is 40 degrees and rising. Pull your clubs out of the closet and come play.

The City Easter Egg Hunt will take place at the fairgrounds March 30th beginning at 11:00. A Cornhole Tournament is also scheduled and will begin at Noon. Please sign your team up at City Hall.

Our annual Arbor Day Event is scheduled for April 6th, beginning at 9:00 AM at the pavilion at the fairgrounds. However, children up to 18 years of age can begin working on your poster for the poster competition today. This year's theme is "THE POWER OF TREES". Rules and entry forms are available at City Hall and Ferron Elementary. \$20 cash prizes will be awarded for age groups. Entries are due by Friday March 29th. The event on the 6th will include Poster Judging and Awards, tree planting demonstration, and planting of a handful of trees on City grounds. Participants may also win a drawing for a peach tree for their yard!

So, shovel the sidewalk for the last time this winter and look forward to a beautiful spring in Ferron!

CITY HALL

SPRING CLEANUP

There will be roll-off dumpsters placed around the city in April for your spring cleanup needs. Please do not use dumpsters at the school, care center, senior citizens, etc. They are for their use only.

If the dumpsters are full,
please take your debris to the

landfill in Castle Dale or call City Hall to have them
emptied and wait to put your debris in until there is
room.

If you have tree limbs or bushes, please cut them up
so they will fit down inside the dumpsters.

Also, do not put the items that are listed in the
"Reminder Notice" to the left.

BURN WINDOW

The burn window will open on March 1st through May 30th. Please remember to get a burn permit before burning. There is no charge for the permit. You can receive a permit by going to the city website,

www.ferroncity.org (click on the city documents tab).

It will link you to the Utah Air Quality web page where you fill out the permit. If you are unable to do the permit on your own, please call or come to city hall and we will be happy to help you.

It is important that you have a permit. If you do not have one and your fire gets away from you, you may be responsible for any costs incurred in fighting the fire.
