Nov 11<sup>th</sup> Veterans Day City Hall Closed

Nov 24<sup>th</sup> City Hall closed at 12:00

Nov 25<sup>th</sup> -29<sup>th</sup> Thanksgiving Holiday City

Blessed Fall Everyone! More than a year into the pandemic and COVID seems to be ever present and on our minds. We have lost great friends, family members and important people of our community. As a community of friends, we all feel the devastation and sadness that these deaths bring to our family, friends, and neighbors. To those of you who mourn, I mourn with you. My thoughts and prayers are continually with the members of this community, and I pray that each of you will have good health and strength to endure the hardships you face during the coming months and years.

Looking back over the past four years I can hardly believe the changes we have seen. I am continually amazed at the changes both favorable and unfavorable that we seem to encounter each day in our ever-changing world. Luckily, I am a person that loves to see change and growth and I welcome new ideas and ways of doing things. Although it is sometimes hard, being adaptable to change certainly makes us stronger. I am excited for some changes coming to Ferron. Some of the projects we were working on at the beginning of the year have seen delays and setbacks but nevertheless they are still on track. I am grateful for the patience of so many citizens as we continue to work through mitigating circumstances that have been beyond our control. One of those changes relates to the management of our Golf Course. I am happy to announce that Great Life Utah will have a presence here as our consultants over the Millsite Golf Course. Their expertise and dynamics will help us to make the course a greater place for recreation and will enhance the services we strive to provide in our community. It has been a long process to get to this point and although it is not where we intended to be at this time, it is an exciting opportunity for us. Our Fairground bathroom facilities and Adventure Playground have seen construction delays but are still moving forward. Although the process has been slowed down, good things are happening!!

November is a time to really reflect on the things that we are grateful for. I am grateful for those of you who do so much good in the community, who look for the positive and who promote happiness amid the daily hardships of life. I have so many things to be thankful for! I pray that as you enjoy the Thanksgiving holiday you reflect on the blessings you have received this year. It is easy to overlook the things that truly bring happiness and peace to our lives, but I encourage you to sincerely reflect on some of those small simple pleasures that bring you great blessings. I am thankful for your support, kind words and gestures. It has been a tough couple of years and your kind words mean more to me than you will ever know. Simple words of kindness have a big impact on a weary or tired soul. A simple word or act of kindness can change a life. I sincerely love this little community I call home. Some of the kindest people I know live here. Living here truly makes me happy. My Thanksgiving feast will be a humble reminder of how lucky I am to call Ferron my home and to be surrounded by such great family, friends, and community members. I pray that your Thanksgiving is filled with friendship, family and love, and that gratitude for the simple things fills your heart and your home.

Happy Thanksgiving!

### GETTING READY FOR SNOW

We have several citizens that have their vehicles, camp trailers, boats, etc. parked on City streets in front of their homes. Please remove them now so that snow removal will be able to be done as quickly and efficiently as possible. If we have any problems with this, citations may be issued.

Happy  
Thanksgiving

Please remember, it is getting darker sooner. Be cautious when outside. Remember to wear light and reflective clothing.

### THANKSGIVING GIVEAWAY

Keep an eye out in the next few weeks for fun activities so you can win some Thanksgiving prizes!

#### *Business of the month.*

#### *BK Gardens featuring Killer Wood*

*Bk Gardens and Killer Woods was recognized as the business of the month in Ferron City at council meeting on Wednesday, October 1, 2021. The business is now owned by Beau Killpack, the second generation of the Killpack family. The wood shop is a custom shop, fulfilling orders from customers. The nursery and wood shop have served the citizens of Ferron for many years and Mayor Justice expressed her appreciation for all they have contributed to the city. The gift was presented to the Killpack family by Councilman Winters.*
