Happy Fall Ya'll!

For those who don't know me, my name is Megan Ervin and I helped put Peach Days together this year.

It was an amazing experience, a little hectic at times, but I really enjoyed meeting new people and seeing how much planning and preparation goes into Peach Days.

I want to thank EVERYONE that helped with Peach Days this year:

Ferron City Council, Mayor Trent Jackson, Barbara, and Jacqueline, for their unlimited support, patience, encouragement, and all their hard work they do every day for our city. I cannot thank them enough, I truly appreciate each one of you!

A special thank you to Sherry Howard for ALL her help with Bingo and taking her own personal time to support Peach Days. Sherry and Gerri put on one of the best parades, spending hours making sure everything was perfect. I could not have done it without them!

Thank you to the Ferron City Fire Department and Fire Auxiliary for being there anytime I asked for help and for keeping me sane! I had the opportunity to help assist with fireworks and saw firsthand how much goes into everything they do for our community. They did a fantastic job with all their events! A million times...THANK YOU!

Thank you to Kasey Morris and the city workers for all their hard work, dedication, and support. This was Kasey's first Peach Days, and he did phenomenal!

To all my friends, Russel, Whitney, Jen, Keyea, Wacey, Kagan, Logan, and Jesse for helping me with whatever I needed and being there for me every step of the way!

Thank you to Kellee Singleton for taking time out of your busy life to make sure Bingo was a success, all your donations and support. I honestly don't know what I would've done without you! THANK YOU!!!

And of course, the biggest thank you to all the citizens who came and supported Peach Days. To everyone who donated and participated, we cannot thank you enough. Peach Days wouldn't happen if it wasn't for the community!

I can't name everyone, but please know I am beyond grateful!

I would love the chance to help again next year, especially with the knowledge and experience I gained this year. I believe we can make next year even BIGGER and BETTER!

It was amazing to see so many people and I hope everyone had a great time, even with the rain!

Again, THANK YOU TO EVERYONE!

-Megan Ervin
