MAYORS MESSAGE

Happy New Year! I sincerely hope that you experienced an enjoyable 2018 and that you are looking forward to 2019. As I look back on the challenges and successes of the past year, I feel very lucky to have had the associations with so many great people who contributed so much to my personal and professional life. I can honestly say I have been very blessed. I look forward to great things this coming year. I am happy to see old businesses revived again and I look forward to seeing new businesses come into our community. I welcome growth and change with excitement as I ponder the opportunities that are coming our way. There are many projects that will need the help of volunteers in our community. I hope you will consider helping in any way you can since our success depends on the involvement of our citizens. Our community can only be as great as its citizens and it takes involvement from all of us to make things happen.

This year, I am looking into remodeling the building at the fairgrounds to make it more functional. I would like to form a committee of citizens to help with this great task. If you are interested on serving on the committee, please contact myself or the city hall. I have also been looking at ways to improve play and services at the Golf Course. It is a daunting task and your suggestions and feedback are always welcome. I would also like to see a new "Welcome to Ferron" sign and more citizen involvement with our Peach Day Celebration. If you have ideas for events that you would like to see in our community, please do not hesitate to let us know. We look forward to having new and fun events throughout the year. I believe that 2019 can be the year that we see great things happen in Ferron. I hope you will all do your part in making our community a fantastic place to be.

I express my gratitude to those of you who have performed so many acts of kindness during the holidays. I have been overwhelmed by some of the stories I have heard. I also know that many of you do great things every day that go un-noticed and unannounced. It really is the little things that matter, picking up litter as you walk along the sidewalks or streets, helping the neighbor take out the trash, providing a warm meal for someone in need, checking on the lonely or those that do not have family close by. These are the things that make our community one of the best places to live.

Lastly, you may have noticed that the new year at the city hall begins with a change in the city office. City Recorder, Shala Hunsaker has taken a position with a local business and will no longer be with us. We will miss her bubbly personality and her singing! I personally want to thank her for her commitment to the city while she was working with us. We wish her well in her new endeavors. We welcome Brittany Yates as the new City Recorder. Brittany took her oath of office at our December meeting and will now be working full time in her new position, so stop by and introduce yourself. Brittany comes to us with a lot of knowledge and skill that should be a great benefit to the city. She is anxious and willing to meet you and get to know more citizens of this great town. We are lucky to have her on our team.

I wish you all much happiness, good health and prosperity this year. Happy New Year!

WATCH FOR SNOW PLOWS

Please watch for the snow plows and backhoes clearing the snow off the roads. They are working hard to get things cleaned off to make the roads safe for us all, but they have a hard time seeing the traffic behind and on the sides of them. Please be respectful of them.
