- July 7- Planning Commission meeting 7 PM
- July 8-Stock Show Movie in the Barnyard
- July 14- City Council meeting 7 PM
- July 23- Office Closed observation Pioneer Day.
- July 24- Pioneer Day City Celebration 6:00 PM

I am so proud of this community! Last month as we met with you and explained our critical water situation I honestly wondered if we would be shutting water off today. It was a difficult conversation for the council to have about water restrictions and the possibility of having a summer without secondary water. We knew however that this community would pull together to make amazing things happen and we were right. There are no complaints about not having enough time to water, no one has been shut off for misuse, and the usage has dropped to a level that will see us through July and into August. Our lawns are brown and dry, but I have seen a few amazing gardens. People are really coming together to help one another and to conserve what they can. The City Council and I congratulate you and thank you for doing your part so that each of us can benefit from having the secondary water longer than anticipated this year.

July is a hot and busy month. We welcome the southeastern Jr Livestock Show on their annual show in Ferron. They will be arriving around the 7th of July and the show will conclude on the 10th. I hope that you will all come out and support the show by taking a stroll through the park and congratulating the youth on raising their animals. It takes a lot of hard work and dedication for these youth to be a part of the show and we are proud of their accomplishments. We welcome this family tradition to our community and hope for their success.

As we celebrate our Pioneer heritage and our success in water conservation, we have planned a community potluck dinner. The city will be roasting a pig in a pit and will supply paper plates and a drink. We invite you to bring a potluck dish to share as we have dinner together on Pioneer Day. There will be games sponsored by the youth council, good food, friendly conversation, and a movie to finish off the night. We hope that those of you who are staying in town for the holiday will join us for a great time.

As we look forward a few months to Peach Days there will be a few changes to our annual festivities due to the drought. We will not be able to hold the horse races or mud bog because of the amounts of water that are used in the two activities, but we will be planning other events to take their place. We look forward to a great celebration and have included plans to celebrate our statehood at our Field of Flags and at our community dinner and hope that you will join us in our celebration. We welcome volunteers to assist in the planning and execution of our Peach Day events. If you have ideas or want to help in any way, please contact city hall.

We continue to move forward with several grant projects. Unfortunately, the effects of Covid have significantly delayed and caused hardships on a few of these projects but we are continuing to move forward. We hope to begin seeing progress on the bathrooms, retaining wall and playground at the Fairground Park. It has been a long and daunting project to get this far, but we hope to be making real noticeable progress very soon. I am also happy to announce that we will be digitizing some of our OHV/UTV trails and will be featured in commercials on ABC-4, At Your Leisure TV Series. We are excited about these events and the grant opportunity that has provided them.

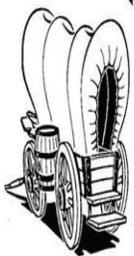

Lastly, I hope that you all have a safe and enjoyable July 4th. May you take time to reflect on the many wonderful freedoms we enjoy living in this great country. I am proud to be an American! As I have traveled to many foreign countries, I am always happiest when I step back on American soil. I am thankful to those who have given their lives and for those who made sacrifices to fight for our freedoms and way of life. God Bless the USA and the men and women of this great nation. Happy 4th of July!

This year's **Stock Show** will be held on July 6-10. The committee would like to invite everyone to come out and enjoy the fun.

**No  
Fireworks**

**FERRON CITY HAS BANNED ALL  
FIREWORKS WITHIN CITY  
LIMITS FOR 2021 FIRE SEASON.**

mayors park.**

### **Business of the Month**

#### **Emery Care & Rehabilitating**

At Emery Care & Rehabilitation our mission is to inspire and empower our residents and staff to reach their full potential. We offer an environment that elevates and enhances individual lives, while promoting a home atmosphere.

Emery County Care and Rehabilitation Center is a county owned facility that is managed by Traditions Healthcare and provides both short stay rehabilitation services and long-term care. Emery County Care and Rehabilitation Center has been serving the residents of Emery and Carbon Counties since 1968. Emery County Care is currently in the process of changing its name to San Rafael Health and Rehabilitation. The purpose of the name change is to try and reach out to more than just Emery County. We want to be able to serve this entire region of South Eastern Utah. We are very excited to be able to continue to serve and provide the greatest care for our residents and your families in this community.

"The mission of Ferron City is to protect and Promote the welfare of all Ferron citizens by creating a thriving, environmentally sensitive community economy which promotes traditional community values while managing community and infrastructure growth in a manner to preserve the agricultural heritage of its people".
