MAYORS MESSAGE

Spring is finally here! I am sure we're all happy to have warmer weather and see the signs of the earth renewing again. We had a great Easter Celebration last month and I am very grateful to the Youth Council and those who helped make the event a success. I believe that everyone who attended had a great time. We will be celebrating Arbor day this weekend and hope that you will consider joining us for this event too. We will be meeting at the Fairgrounds at 9:00 am on Saturday the 4th. We will have demonstrations on pruning ornamental trees, so this is sure to be an event that will be informative as well.

At our council meeting last month we chose to honor Bruce Fish for his dedication in keeping the streets around our community free from trash. On any given day you can spot his car parked at the side of the road as he walks along picking up debris that people have thrown from their vehicles as they drive. I am grateful for his service and I'm happy that there are individuals like him who are such great examples. We also honored Oakley Toomer as the Ferron City employee of the quarter. Oakley has worked for the golf course for several years while attending high school. Oakley goes above and beyond in his dedication to the course and his job. We would like to recognize his accomplishments as well in playing the game. Because of his outstanding achievements, he will attend tournaments in Florida and Scotland soon. We are so proud of his example to the youth of our community and for his accomplishments in the game of golf. We wish him success in his travels and in his tournaments.

Spring is also the time of year that we as a governing body, work on the next budget. We will be holding our first meeting to adopt the tentative budget and then a public hearing to adopt the final budget. We encourage you to attend and add any comments to YOUR city budget. We look forward to serving you and meeting your needs but appreciate your participation in this process. We will specifically focus on donations during our public hearing. If you have a group that would like to receive donations from the city, it is important that you contact us, so we add you to the donation list during this hearing.

Just a quick word about water. Although it looks like we will have plenty this year please be mindful of the watering ordinance. We still have a schedule to follow for outside watering and ask that you adjust your sprinklers to this schedule. We also ask you to continue to be mindful and not waste water. The project on the dam will be moving forward and we will be happy to see it completed. The golf course is shaping up and although we may not have a bridge to cross the spillway at this time, we are working hard to have solutions for the bridge and increasing the play on the course. We invite you to enjoy spending time on the course with your family and friends. Thank you for all you do to make our City a great place. I enjoy associating with you at city gatherings and when I am out in the community. I hope that you will all continue to be involved. There are always opportunities to serve on committees and even on the Council. We invite you to consider running on the upcoming election and helping us to make Ferron an even better place to be. Details on the election and candidate filing process can be obtained from the city Recorder. We need your service and your ideas to keep improving and making a difference.
