## Mayors Message

Thanks to all of you who participated in our Peach Day Celebration. I appreciate your support and recognize that our success depends on you. I enjoyed meeting and talking with many of you. I appreciate the hard work of our staff and volunteers in seeing that each event was taken care of. Unless you have been behind the scenes it is hard to imagine how much work it takes to make each event happen. I was so thrilled with the design of our T-shirts. Whitney Behling did a fantastic job putting our thoughts on a logo. There is no better place for us to be located than between Clawson and Molen! I love our neighboring communities that are truly part of us. We still have many colors and sizes of the shirts available at city hall. The proceeds from the sale of the shirts will go towards the new welcome to Ferron sign. So, if you missed out getting one during Peach Days make sure you get one soon.

I love fall and look forward to the changing of the colors and the cooler air. We will be celebrating Halloween and the fall harvest in October so please watch for information on the date and time. I am sure there will be something for everyone. Also, in October the American Legion Auxiliary will host a meet your candidate night. This will be a great opportunity for you to meet and ask questions of the candidates running for city council positions. Voter ballots will be mailed out to you again so make sure that you follow the instructions on the pamphlet and return your ballot by the date specified by mail or by dropping it off at city hall.

Lastly, it is truly with a heavy heart that I bid good wishes to Tami Bennett on her retirement. I have enjoyed the years I spent working by her side in the office and I appreciate all she does for me in my current position as Mayor. She has always gone above and beyond in her duties as Treasurer and she will be missed. I hope when you see her you will join me in wishing her good luck and a very happy retirement!

### Metal Dumpster

Because of the low cost of scrap metal, Basin Industries has removed their dumpsters. Please do not put any of the above items in the City dumpsters. You will have to take them to the landfill.

We want to remind everyone to be respectful to your neighbors with your dogs. Each household is allowed 3 total dogs. If your dog is outside your yard, by ordinance, it must be on a leash. All dogs are required to be licensed by Ferron City and have a current rabies shot.

If your dog bites someone or another animal, it may be deemed vicious. You may loose the right to own that dog.

## BURN WINDOW

The burn window will open on September 15th through November 15th.

Please remember to get a burn permit before burning. You can receive a permit by going to the city website,

[www.ferroncity.org](http://www.ferroncity.org)

(click on the city documents tab).

It will link you to the Utah Air Quality web page where you fill out the permit. If you are unable to do the permit on your own, please call or come to city hall and we will be happy to help you. It is important that you have a permit. If you do not have one and your fire gets away from you, you may be responsible for any costs incurred in fighting the fire.
