### MAYORS MESSAGE

I can hardly believe that September is already upon us. Kids are back in school, gardens are producing at full force and leaves are beginning to turn. At the city we are in full swing getting ready for Peach Days. I hope you will all come out and support us this year. There have been a lot of people working hard to make this celebration a success. For the first time, we will be holding a mud bog race and a human obstacle course. These events will replace the demolition derby. Also new this year will be the corn hole tournament. One of my favorite events, the annual Bike Ride and giveaway will be held on Wednesday night. If you have not attended in the past you have really missed out. We will be giving away around 15 bikes again this year. It is a great time to spend with your family. Hypno Hick will be back this year and will be at the Fairgrounds Park during the horse races. We are also excited to continue with the family fun day at the park where there will be free hot dogs and drinks, the soapbox derby and plenty of fun for everyone. We also invite everyone to go to the fairground park to visit our vendors. You will be able to do this without paying a gate fee this year. Friday night festivities will begin with the dedication of the new Veteran Monument in the Mayors Park. Dinner will follow shortly after the dedication and will be free to the citizens of Ferron. Because parking space will be limited, we encourage families to walk or bike to the park if at all possible, saving the closest parking for disabled and elderly citizens. Be sure to look at the schedule of events and note any changes from previous years.

I sincerely want to thank each of you for your efforts in conserving water this year. It has been a long hot and dry summer. You deserve a hearty pat on the back for doing your part in helping us to make it to September with our secondary water. I am grateful as well for the rain that we have recently received. It certainly has given our lawns the boost it needs to start us into the fall months.

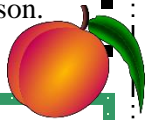

With Fall upon us we will once again hold our "Find Frank" contest. If you have not participated in the past please join us this year. Frank is our friendly scarecrow that likes to hide about the city. If you spot him just simply call the city hall and report his whereabouts. Your notification will enter you into a drawing for prizes to be given away at the end of October. This contest is fun for all ages and a great family activity as well. Watch for future bulletins on the contest dates and details.

I look forward to seeing you all at Peach Days!!
