SEPTEMBER CALENDAR

OF EVENTS

Sep. 6 Labor Day City Hall Closed

Sep. 7 Planning Commission Meeting 7 pm

Sep. 7-11 Peach Days

Sep. 15 City Council Meeting 7 pm

We did it! Thanks to all the water conservation efforts we are happy to have made it to September. I am so proud of our community and feel that we have proved that working together is the best solution. We appreciate your efforts in conserving water and want to note that we cut our water usage in half this year. Thank you so much for your help in getting us to this milestone. It has been a hard summer, but I am thankful that so many of us were still able to enjoy good gardens. Let's now hope that our mountains get the snow that will be needed to fill the reservoir next year.

Peach Days is here once again! This year we have a slightly modified celebration due in part to continuing covid concerns and the low water year. We hope that you will still come out and support our events and enjoy associating with your neighbors and friends. We have added a few new activities and taken away some of the older ones but still plan to have a great time. Please watch our Facebook page and city webpage for more information. I hope to see you all there!

I want to publicly thank my Council and staff for their hard work. Even though we have a slightly modified schedule, there are many who work very hard to see that the planned events are successful. I also appreciate the hard work that has been put in by our golf course staff. It has been hard to see the grass at the course look so bad. We appreciate those who have still supported the course through this time, and we hope to have it green again in the coming spring. I also want to thank the Fire Department and EMT's for their commitment to the citizens of Ferron. We sincerely appreciate the time you spend in training and serving our community. Your service is invaluable and we are lucky to have you.
