

## Mel's Foot Club 2019

Each class will be dedicated to one or two presser feet and/or attachment. You will make technique swatches, so you can develop a reference notebook if you choose. In some classes, you will make a small project using the featured foot. In other classes, I will demonstrate additional feet and attachments as part of the class.

There is a \$15 supply fee due at the first class. It will cover mounting cards, project supplies, and notions (such as cord, decorative threads, etc.) needed for some of the techniques.

### Class Supplies

- The fabrics pieces listed below should be medium weight woven fabric such as quilting cotton unless otherwise stated.
- Polyester embroidery thread will work for all of these techniques. I have indicated where it will be good to have a color of thread that contrasts with the fabric, so the stitching will be visible.
- We will be working with 5½" x 8½" mounting pages. You may want to purchase page protectors and a notebook (office supply stores), but that is optional.
- The techniques we are stitching are from The BERNINA Big Book of Feet. It is not required to have this book but if you do have it, I encourage you to bring it to class with you.
- If you have questions about the supplies below, we will be discussing them in Class #1.

Class Date	BERNINA FEET	Baby Lock Feet	Supplies
1/8/19	Tailor Tack Foot #7  Open Embroidery Foot #20/20C/20D	Fringe Foot	Two fabric rectangles, 4" x 8" One 8" fabric square Contrasting color of thread Two 8" Tear Away
