

Mel's Sewing and Fabrics

Class: Hoopsister's Snow Globe January (Winter) Wallhanging

Teacher Name: Leni Herman

October 24, 2026 10am – 2pm Anaheim

November 7, 2026 10am – 2pm Tustin

Class Description – A fun quick wall hanging in two sizes, Snow Globes!

Small Finish Size: 12" x 22"

Large Finish Size: 18" x 34"

Bring USB stick (designs will be purchased day of class with a discount!)

Supply List:

Batting

*Polymesh stabilizer, stabilizer to fit the hoop

Optional wool batting

*Fabric 1: Background - FQ

*Fabric 2: Globe base - FQ

*Fabric 3: Globe background – FQ

Optional Globe cover – OESD clear vinyl

*Fabric 4: Snowman and Snowflakes – FQ or OESD White Vinyl

*Border, Binding & Backing: 8" block– 1 yard; 5" block - ¾ yard

Thread colors: Superior Water Soluble-Extra thread, white, brown, orange, dark green, light green, black, thread to match backgrounds for quilting. Also, I used Kingstar metallic silver, and color for the word January.

Instructions for all blocks - I made a notebook with page protectors with all instructions. You receive instructions when you sign up, designs will be uploaded to your usb stick in class.

Embroidery machine with embroidery unit, power cord

Hoops needed:

8" blocks will use the maxi hoop for Bernina machines

Large borders will use the maxi hoop for Bernina machines

5" blocks will use the large hoop for Bernina machines

5" blocks will use the 5" x 7" hoop for Babylock machines

8" blocks will use the 9 ½" x 9 ½" for Babylock machines

Small borders will use 6" x 10" hoop for Babylock machines

I did use some fun extra's OESD clear vinyl and MonoPoly Invisible thread

Prep Work before class

Please come to class with all fabric cut, we might get to make more blocks depending on sizes of blocks that students will be making. If making the 5" small size you should finish in class and if you are making the 8" version you will be you will be close and for both you will probably put the binding on at home.

Looking forward to seeing everyone in class!
