Prep Work before class:

Instructions will be emailed to you prior to class, designs will be uploaded to your usb stick in class.

Print out all instructions for project (these will be emailed to you)

Cut all fabric required class (with all fabric cut, we might get to make more blocks)

See page 6 for Small cutting chart and page 8 for large wallhanging cutting chart.

Instructions for all blocks: I made a notebook with page protectors with all instructions. I recommend doing this to stay organized.

Looking forward to seeing everyone in class!
