Pattern: Love Notes Pillow Cover and Mini-Quilt  
 Designed by Jane Michel from Etsy

Little hearts are just bursting out of the love note envelope blocks on this easy quilted pillow cover which also can be used as a mini-quilt wall-hanging. Create a valentine keepsake or a special "love note" to be used any time of year. (The envelope style cover fits square 16" to 18" pillow forms depending how firmly you like a pillow stuffed.) Pillow covers are so versatile as you can change them out each season or holiday!

This pattern is perfect for the intermediate beginner quilter. Sewing skills required are basic block piecing and knowledge of making a quilt from start to finish. Machine or hand applique is required for the little hearts. This pattern is Fat Quarter or scrap-friendly.

Fabric used in the sample was Hello Darling by Bonnie and Camille for Moda plus some other stash pieces.

Please read through entire pattern before beginning your project.
