

Mel's Sewing and Fabrics  
Laura Heine Teeny Tiny Bouquet  
Project: Mini Quilt  
*Instructor: Ruth Locke*  
*April 2022*

The mini quilted “Bouquet” is a bright and fun collage project that can be finished in a day if you have completed your prep work or over the weekend if you want! Mel’s has Laura Heine’s newest fabric collection in stock, and they are perfect for this project, or you can use your own fabrics to create a custom art piece. I’ve included yardage requirements. I am also going to demonstrate how to add a sleeve to hang the quilt if you decide to make a wall hanging.

### **Supplies Needed:**

Teeny Tiny Collage pattern Group #11, Bouquet, Mosaic, Statement by Laura Heine\*\*

2 - 1/4 yards or 2 FQ of background fabrics.

1/8 yard for the table

1/4 yard black fabric for vase outline

1/4 yard top of inside vase

1/4 yard water inside the vase

1/8 green fabric for steams

3-5 FQ (or 1/4 yards) of floral fabrics. You want the flowers to be a mix of sizes. You also want to have leaves or greenery you can cut out and place around the vase.

Cute cuttables that you can add to your vase. I used a Firefly and a moth.

2/3 yard backing fabric

2/3 yard Warm and Natural batting\*

FQ binding fabric

1/8 yard for fabric sleeve. (Optional)

3-5 yards of Steam-A-Seam 2\*

2/3 yard Pattern Ease – I will have Pattern Ease to sell in class. Or you can use a solid piece of white or cream cotton.

Serrated Scissors purple handled Karen Kay Buckley\*

Parchment paper

Precision Fusing Mat 17” x 24” \*\*

Applique Pressing Sheet\*

#2 pencils  
Iron and ironing mat\*\*  
Painter's tape  
Cutting mat/rotary cutter  
6 1/2" x 24" or 8 1/2" x 24" ruler\*  
Unscented Dryer Sheets  
Sewing Supplies  
Sewing machine in good working order with slide on table.  
40wt or 50wt thread to quilt\* (We will talk about quilting in class. Thread color is a key component to this project.)  
Sewer's Aid\*  
Super Nonstick Needles\*  
Walking Foot or Dual Feed Foot \*  
#1 foot or Zig Zag that you would like to grid quilt with\*  
Chalk marking tool\*  
Bernina Thread Lubrication Unit\*\*  
A few Gallon sized Ziplock bags  
10 Paper plates

This is an all-day class. Some students might finish their collages and start quilting, but some might just work on the fabric collage.

FYI: You may or may not use your sewing machine.

#### BEFORE CLASS:

Please come to class with the fabrics ironed onto Steam-A-Seam 2. You can start to cut out your flowers if you want. Make sure you leave about 1/8<sup>th</sup> of an inch of background fabric around the flowers. You can cut out partial flowers and leaves and work them into your collage. If you have questions, we can work on this in class. Sort the different flowers in Ziplock bags. Also start think about how big you want your project to be, and what you want it to end up as. A wall hanging? A pillow? A small quilt for a table ? Bring more fabrics than you think you will need to class.
