Project: Lined Drawstring Bag
Instructor: Ruth Locke
September 2021

In class we will be making the Everything Bag size, but you can make any size you wish. This pattern is a great “green” option as gift wrap or if you want to send a fun bag full of treats. All the bags are lined. You do need to pay attention if the fabric is directional, so I suggest you bring in FQs or 1/2 yards as that will give you enough fabric so you can have your bag facing the right way. We are also going to learn how to make the drawstring ties with a Bias Tape maker.
