KIMBERBELL®

KIMBERBELL® Dealer Exclusives FOR MACHINE EMBROIDERY

Quilted Embroidery Leather Luggage Tag

Our Quilted Leather projects are chic and shiny, with hearts, loops, and crosshatch motifs on beautiful Embroidery Leather. Slip your home address behind the clear Vinyl window of the Luggage Tag, tie to your suitcases and bags with coordinating ribbon, and travel in style! The Tissue Holder is nothing to sneeze at, perfectly sized for a travel-sized pack of disposable tissues. Tuck into your purse or give to a friend for a keepsake they'll ah-ah-ah-choose time and time again!

We love to see what you create! Share photos of your project on the Kimberbell Designs Facebook page or Instagram #kimberbelldesigns

A Fat Sixteenth is 9 x 11"
A Fat Eighth is 9 x 21"
A Fat Quarter is 18 x 21"

Indicates thread color change.

Indicates bobbin color change.

Corresponds with the specific embroidery machine step.

There are **(3)** different background quiltings included on the disk: Crosshatch, Hearts & Scallops. All quilting is stitched in **Direction Step 6**.

1. Embroidery Instructions:

- Hoop stabilizer only
- Load the **KDEX104_5x7_ LuggageTag_ Scallops** embroidery file into the machine

2.

A. Stitch ***the ribbon placement line*** directly on top of the stabilizer.

B. Fold Ribbon in half, **wrong sides together**. Place the Ribbon **right side up**, with ends about ½" extended past the placement line. Tape in place.

C. Stitch ***the ribbon tack-down line***.

STEP 1

STEP 2

3.

A. Stitch ***the batting placement line*** directly on top of the stabilizer. Remove tape.

B. Place the Batting completely covering the placement line.

C. Stitch ***the batting tack-down line***.

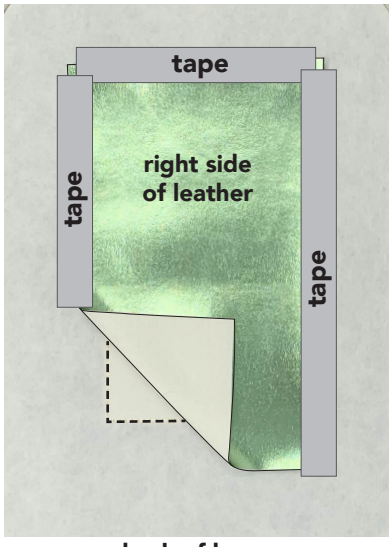
D. Trim batting close to the stitch line.

STEP 3

STEP 4

4.

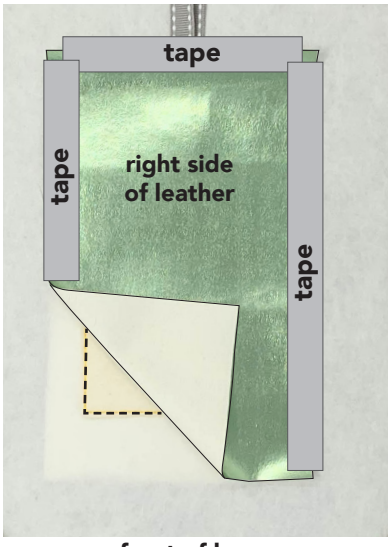
- Remove hoop from machine
- Turn hoop to **back**
- Place the Back Leather **right side up**, completely covering the stitch line
- Tape in place (Do not place tape inside stitched area.)



back of hoop

5.

- Return hoop to machine
- Place the Front Leather **right side up** completely covering the stitch line
- Tape in place (Do not place tape inside stitched area.)



front of hoop

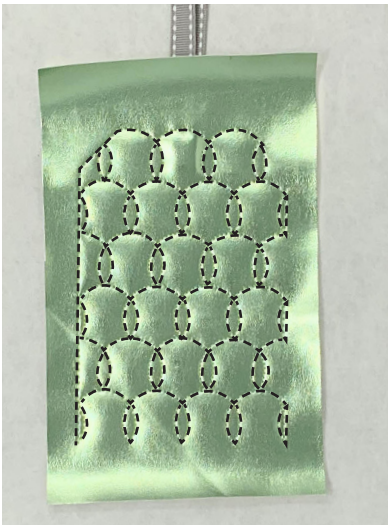
6.

- Change thread to desired color

- Change bobbin thread to match top thread

- Stitch ***the background quilting***

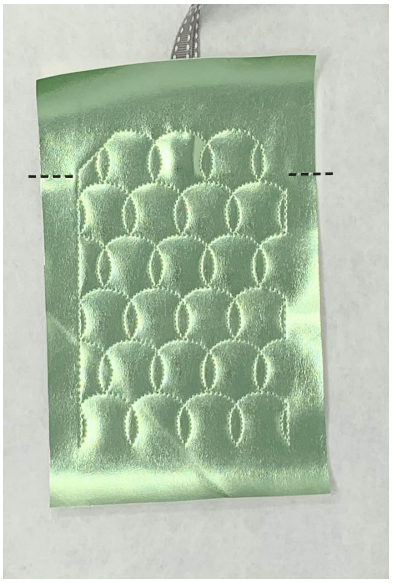
- Remove all tape



Note: Shown in black for illustration purposes only.

7.

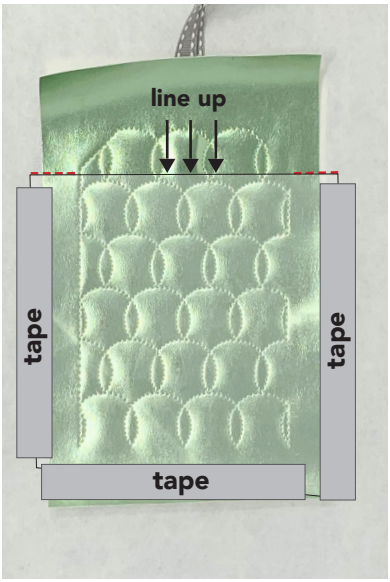
- Stitch ***the pocket window placement line***



8.

- Place the Pocket Window Vinyl with top edge centered along the placement line (Shown in red.)

- Tape in place (Do not place tape inside stitched area.)



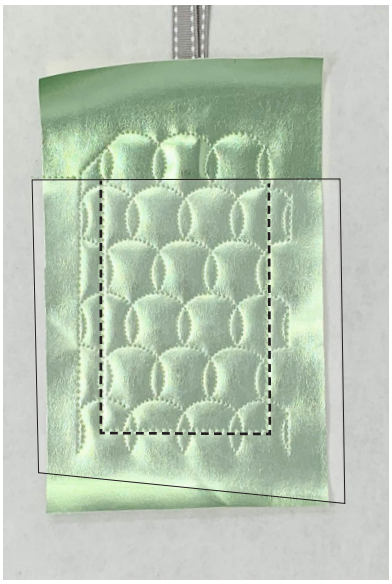
9.

- Change thread to desired color

- Change bobbin thread to match top thread

- Stitch ***the pocket window tack-down line***

Note: Shown in black for illustration purposes only.



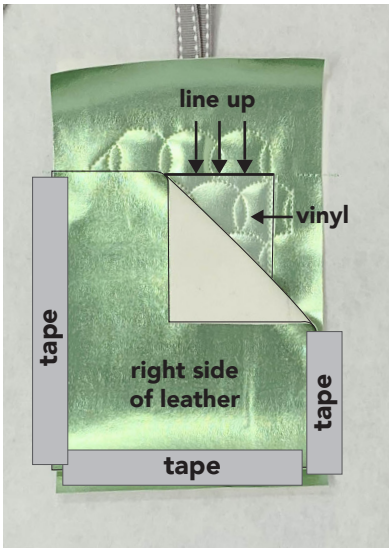
10.

- Trim Vinyl close to the stitch line (The top edge of Vinyl is a pocket. Do not trim along the top of Vinyl.)

11.

- Place the Pocket Leather **right side up**, aligned with the Vinyl

- Tape in place (Do not place tape inside stitched area.)



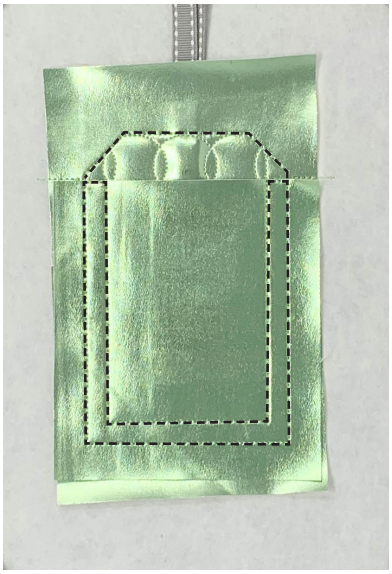
12.

- Change thread to desired color

- Change bobbin thread to match top thread

- Stitch ***the final stitch outline***

Note: Shown in black for illustration purposes only.

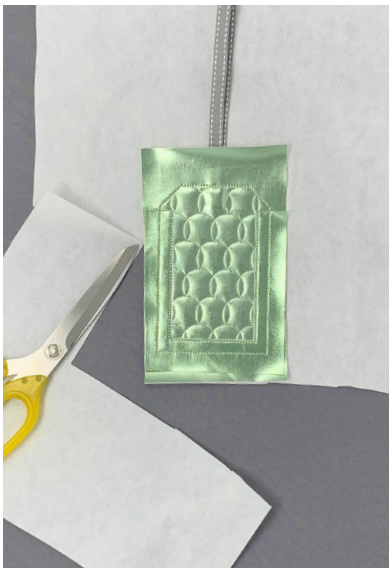


13.

- Trim Leather inside pocket window (Be careful not to trim the Vinyl.)

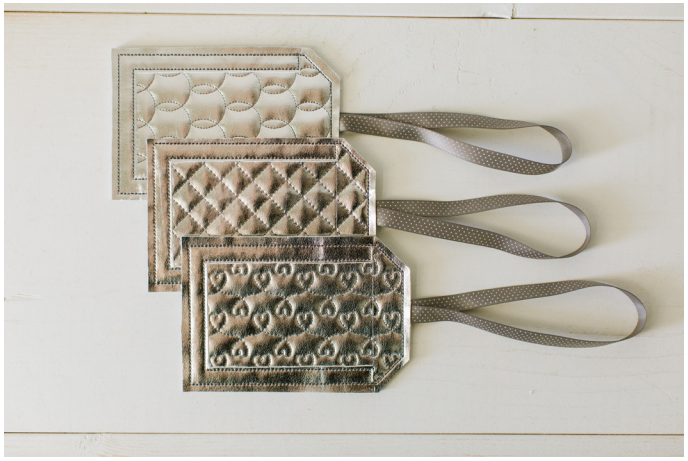
14.

- Remove project from hoop
- Cut away excess stabilizer from in between the Leather



15.

- Trim Leather about ⅛" outside the final stitch outline (Be careful not to trim the Ribbon.)



Note: PDF file for luggage tage is included.
