

# Tammy Moore QOV Eagle Series, Top #3

Each square = 3" • Completed top will be 72" x 72" (based on a 1/4" seam allowance)

Red Fabric: Cut 32, 3.5" squares\*

White Fabric: Cut 64, 3.5" squares\*  
 Cut 32, 6.5" squares  
 Cut 1, 24.5" square for center panel

Blue Fabric: Cut 32, 3.5" squares\*  
 Cut 8, 12.5" squares (for the applique star blocks)

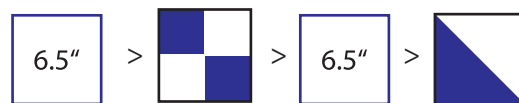

\* An alternative to cutting the 3.5" squares is to sew 3.5" wide WOF (width of fabric) strips of red & white and blue & white. Trim to 6.5" rectangles. Press towards the darker fabric, and make your 4-patch blocks.

Make 16, red & white HST blocks and 16 blue & white HST blocks.

Sew the red/white 4-patch blocks to the completed HST blocks  
 - Join 2 sets of these to form larger "A" blocks

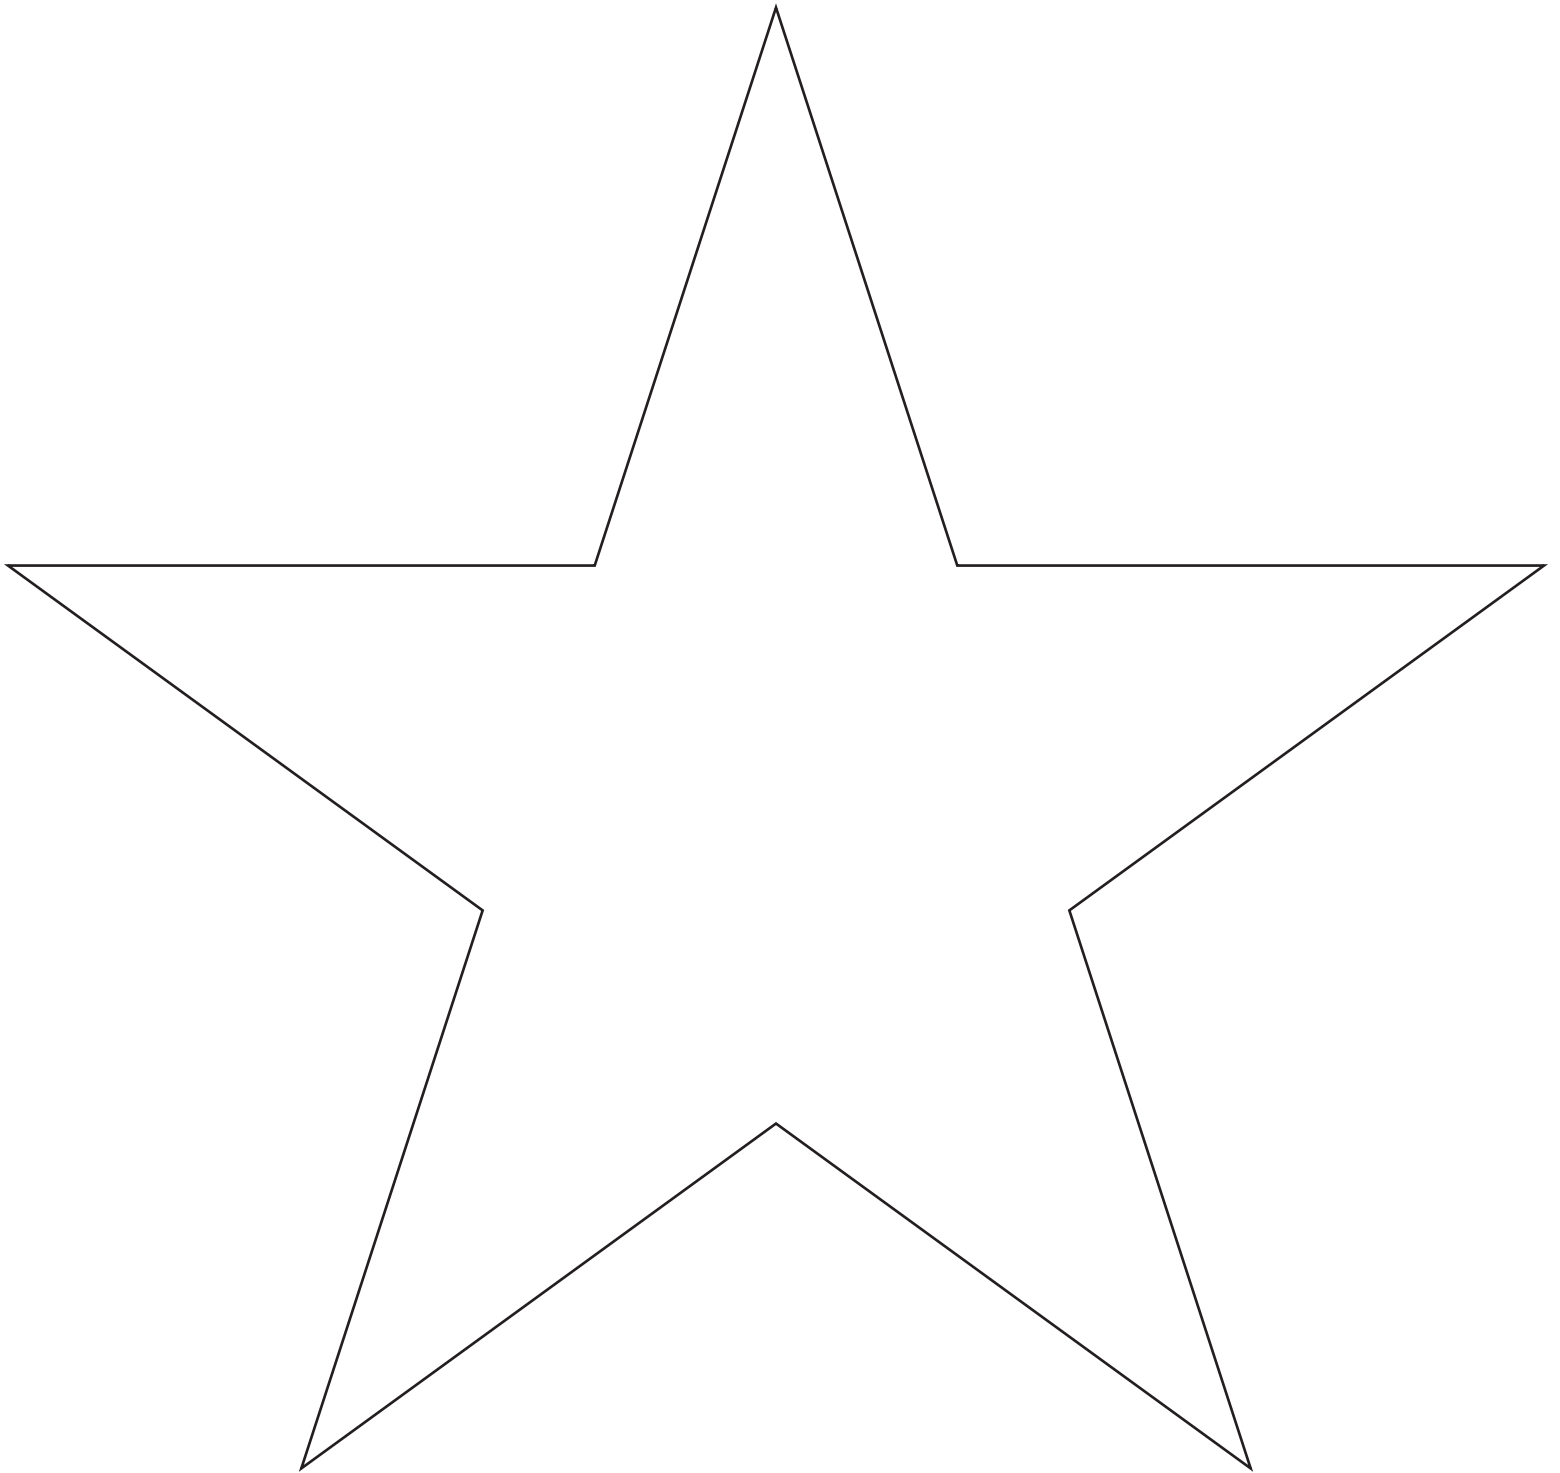

"B" blocks made from 2, 6.5" white squares,  
 1, 4-patch blue and white, and 1, blue/white HST

# Star template

8" star or you can make it larger to fit 12" completed block

## Eagle applique template

*Please note that the image has already been reversed.*

Take to your local copy shop and enlarge image to approximately 20 - 22".  
(I like to leave what I call "breathing room" or space - keeping the image a few inches from the sewn edge)

Play around with the colors, make it all blue or vary the eagle.  
You can also choose to make just 3 stars or no stars at all.

Have fun and happy quilting!
