

## PUMPKIN CAKE

Mix in beater:

- 3 eggs, beaten
- 1 large can evaporated milk
- 2 tsp pumpkin spice
- 1 cup sugar
- $\frac{1}{2}$  tsp salt
- 1 large can pumpkin
- $\frac{1}{2}$  box yellow or white cake mix

Spread this mixture in greased (or Pam'd) 9 x 13" pan... then

Sprinkle on top:

- Remaining  $\frac{1}{2}$  box cake mix
- 1 cube butter, diced in chunks
- 1 cup nuts

Bake @ 350 degrees for 45-55 minutes (knife should come out clean... like pumpkin pie). This is a great substitute for pumpkin pie... Very easy and can be made the day ahead (refrigerated)..... serve with whipping cream or ice cream.

Lynda Alamo

(This cake was served at a library Christmas party in 1990..... I asked for the recipe and have been making it for 23 years...!)
