You can be also be Little Miss Muffet!!!!

You can make a Tuffet for any room in your home. The Tuffet is constructed from the ground up, so there is no footstool to buy.

You will be purchasing the style of bun feet or legs that suit your personality.

The first class, you will learn to create the Tuffet top. You need basic sewing skills to construct the foundation-pieced top. The second class, you will assemble your unique piece of furniture. AND EVERYONE GOES HOME WITH A FINISHED TUFFET!
