"Of The Month" Opportunities

Halloween Block of the Month

This fun, mystery quilt began in October but we have **two** openings left. All the past block kits are made and waiting for you! The blocks teach you how to use small border prints or stripes in your blocks to give them some extra POW! This 'of the month' program finishes in September so you'll have time to have your quilt ready for the holiday in October! Techniques include half square triangles, flying geese units, and fussy cutting (easy, easy!). Designed by Valerie Morton. Kit cost is \$10 per month. Each kit includes fabrics and instructions for that month's block. Finishing kit will be available. Here are some of the blocks already done.

Artisan Echoes Block of the Month

This mystery quilt will have twelve blocks bordering a panel. The colors are wonderful and the quilt is going to be stunning! Block construction will be based on a nine-patch with easy techniques of half square triangles, hour-glass units, flying geese units, and side-angling. Directions are given for all in case you know them under a different name! Designed by Valerie Morton. Kit cost is \$10 per month except for the first month which will include the panel. Each kit includes fabrics and instructions for that month's block. Finishing kit will be available. This starts in February. Here's what the panel looks like!

"Wrapped in Joy" Row of the Month

We saw this designer quilt and fell in love with it! It will run for seven months. Limited number of participants. Each monthly kit will be \$10.00 with a finishing kit at the end. We're awaiting the fabrics and hope to get this started in March. While we haven't received the instructions yet, it looks like it is both piecing and applique. Finished size is 40 1/2" x 51 1/2". Sign up today! Designed by Vicki Bellino with fabrics by Rachel Thomas Pellman for Marcus Brothers. Finishing kit will be available.

More "Of The Month" programs available at the store!
